Question 1

Question Type: MultipleChoice

Project Managers would like to display several fields prominently on the Project Lightning Page. Which PSA Lightning Component could you use to meet this need?

Options:

A- FF Field Overview

B- FF Highlights

C- FF PSA Field Summary

Answer:

B

Question 2

Question Type: MultipleChoice

Your company has both full time and part time resources. From a Human Resources perspective, part time resources can work any number of hours per week. From a Resource Planning perspective, management has agreed that part time workers can be estimated at 20 hours per week.

Based on this information, how many work calendars should be created?

Options:

A- One full time work calendar, and one work calendar for each unique part time contract

B- One full time work calendar, and one part time work calendar

C- One full time work calendar, one part time work calendar, and one generic flexible work calendar

Answer:

C

Question 3

Question Type: **MultipleChoice**

You have set up a Flow to automatically assign a resource's manager to the approver field on Timecards. Users have reported that submitted Timecards are going to the Project Manager for approval and not the resource's manager. Of the following, which could be a reason for this?

Options:

A- PSA requires that only Project Managers can approve Timecards

B- The process builder to assign the resource's manager is not active

C- The configuration option Assign Project Manager To Time card Approver is set to True

Answer:

A

Question 4

Question Type: **MultipleChoice**

A Project Manager wants to generate a report on the Project's Margin, Revenue, and Costs for a specific period, and to be able to reuse it.

How do you set up this requirement in the Org?

Options:

A- Create a report on the 'Project' object > add the Billings. Margin, and Total Costs > Group by Project Name > filter by Current Time Period

B- Create a report on the 'Project Actuals' object > add the Billings. Margin and Total Costs > Group by Project > filter by Time Period

C- Create a report on the 'Backlog Detail' object > add the Billings. Margin, and Total Costs > Group by Project > filter by Time Period

Answer:

B

Question 5

Question Type: MultipleChoice

You receive a requirement to add a secondary approval for Expense Reports whenever an Expense amount exceeds the set threshold amount.

How would you configure this?

Options:

A- Go to Setup > Custom Settings > Expense Settings > edit the 'Secondary Approval' setting

B- Go to Setup > Object Manager > Expense Reports > Lightning Page > Edit the 'Approval Process' Component to add an Approval Step

C- Go to Setup > Approval Processes > Expense Reports > Create a new Approval Process with Entry Criteria for the Expense Amount

Answer:

C

Question 6

Question Type: MultipleChoice

Your company has asked you as the Sysadmin to edit a few Timecards that have already been approved. There are no Billing Events associated with the Timecards. What specific system permission allows you to perform this action?

Options:

A- The System Administrator Profile

B- None - PSA does not allow any updates to approved Timecards

C- The Timecard Ops Edit Permission Control

Answer:

C

Question 7

Question Type: MultipleChoice

Where would you go to delete Actuals, Billing, and EVAs app logs?

Options:

A- PSA Administration page > PSA Batch Processes > App Loq Cleanup Job

B- Foundations Set Up > Scheduled Jobs > Agp_ Log Cleanup Job

C- Set Up > Scheduled Jobs > Agg Log Cleanup Job

Answer:

A

Question 8

Question Type: MultipleChoice

You configured a new Salesforce approval process on the "Timecard" object. What is needed to make a user a Timecard approver in this process?

Options:

A- The approver must be in the same role hierarchy as the submitter

B- The approver must have Read permissions on the 'Timecard' object

C- The approver must be set up as a Delegated Approver for the submitter

Answer:

C

Question 9

Question Type: MultipleChoice

Your company hired its first part-time employee that needs to be set up as a Consultant in PS

Options:

A- They will work about 20 hours a week instead of the normal 40 hours a week.

Which of the following steps should you take to ensure this consultant's utilization calculation will be calculated correctly?

A- Create a new 'Role' indicating the user is a Part Time Consultant

B- Create a new Part Time 'Work Calendar' for 20 hours

C- Create a new 'Utilization Calculation' labeled Part Time

Answer:

B

Question 10

Question Type: MultipleChoice

Your organization has decided to change the default scheduling strategy to be used as a starting point when creating an Assignment on the Project.

Which of the following tasks do you need to perform to accommodate this requirement?

Options:

A- Remove scheduling strategy options that will not be used by adjusting the Assignment custom setting.

B- Adjust the Configuration Value record for Scheduling

C- Delete the Configuration Value record for Scheduling

Answer:

B

Question 11

Question Type: MultipleChoice

Which of the following custom settings can be specific to a User?

Options:

A- Search Resources Global

B- Timecard Entry Ul Personal

C- Assignment Settings

Answer:

B
