D, E

## Question 8

---

**Question Type: DragDrop**

---

Your company has a Microsoft Teams deployment and the following departments:

\* Sales

\* Marketing

You need to recommend a licensing strategy that meets the following requirements:

\* The sales department must be able to prevent meeting attendees from copying and pasting in meeting chats.

\* The marketing department must be able to customize meeting templates.

\* The solution must minimize costs.

What should you recommend for each department? To answer, drag the appropriate licenses to the correct departments. Each license may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content.

NOTE: Each correct selection is worth one point.

**Licenses**

Microsoft Teams Essentials

**Answer:** Microsoft Teams Premium

Microsoft Teams Rooms Basic

**Answer Area**

Marketing:

Sales:

## Question 9

**Question Type:** MultipleChoice

You have a Microsoft Teams deployment.

You have the users shown in the following table.

Name	Licensed for
User1	Microsoft 365 E5
User2	Microsoft 365 E3, Microsoft Teams Premium
User3	Microsoft 365 E5, Microsoft Teams Rooms Pro

You need to identify which users meet the following requirements:

- \* Can assign watermarks to meetings.
- \* Can configure end-to-end meeting encryption.

Which users should you identify?

**Options:**

---

- A- User1 only
- B- User2only
- C- User3 only
- D- User2 and User3 only
- E- User1.User2. andUser3

**Answer:**

---

B

## Question 10

---

**Question Type: MultipleChoice**

---

Your company has a Microsoft 365 E5 subscription that uses Microsoft Teams.

The company has a department named HR.

You need to ensure that when a user in the HR department creates a highly confidential meeting, a watermark is applied to the recording.

Which two actions should you perform? Each correct answer presents part of the solution.

NOTE: Each correct selection is worth one point.

### Options:

---

- A- Assign a meeting policy for the HR department users.
- B- Assign a Microsoft Teams Premium license to the HR department users.
- C- Assign a customization policy for the HR department users.
- D- Assign an Azure Information Protection Premium P2 license to the HR department users.
- E- Assign a meeting template policy for the HR department users.
- F- Assign an Azure Active Directory Premium P2 license to the HR department users.

### Answer:

---

A, B

## **Explanation:**

---

Watermark requires a Teams Premium license and it is enabled in a Meeting Policy: [https://learn.microsoft.com/en-US/microsoftteams/settings-policies-reference?WT.mc\\_id=TeamsAdminCenterCSH#watermark](https://learn.microsoft.com/en-US/microsoftteams/settings-policies-reference?WT.mc_id=TeamsAdminCenterCSH#watermark)

## **Question 11**

---

### **Question Type: MultipleChoice**

---

Your company has an office in Atlanta.

The company has a Microsoft Teams Phone deployment that contains a toll-free phone number.

You notice that the Atlanta office has significantly high toll-free dial-in usage for meetings.

You need to disable the toll-free number for meetings organized by users in the Atlanta office.

Which type of policy should you configure from the Microsoft Teams admin center?

## **Options:**

---

A- meeting

B- calling

C- audio conferencing

D- voice routing

**Answer:**

---

C

**Explanation:**

---

Disabling toll-free numbers for specific users

1. From the Microsoft Teams admin center:
2. In the left navigation, click Users, and then select the user from the list of available users.
3. Next to Audio Conferencing, click Edit.
4. Set Include toll-free numbers in meeting requests from this user to Off.
5. Click Save.
