Answer:

Question 3

Question Type: DragDrop

You manage a Dynamics 365 environment for Sales. You create the following rule items to respond to inbound emails from potential customers:

*Emails that contain the words support or help must create a new high-priority case.

*Emails that contain the words buy or purchase must create a warm-lead record. The words buy and purchase are more important than support or help.

*Emails that specifically mention ProductA must always create a hot lead for that product regardless of other words mentioned.

*If none of the targeted words are present in an email, a cold lead must be created.

You need to configure the order in which rule items are processed.

In which order should you run the rule items? To answer, move all actions from the list of actions to the answer area and arrange them in the correct order.
