Answer:

A

Explanation:

https://support.okta.com/help/s/article/Getting-Started-as-a-New-Okta-Administrator?language=en_US

Okta Help Center To access theOkta Help Center, simply log into your Okta Admin Console and click the 'Help & Support' link located in the upper-right corner of the page. The Help Center acts as a one-stop-shop where you can:

Search knowledge articles

Submit a case to Support by clicking the 'Open a Case' button

Join groups (Okta recommends that admins join the 'Admin Pro Tips' group where we post regular content such as onboarding materials, new feature videos, webinars, and more)

Question 2

Question Type: **MultipleChoice**

Is this where an Okta Administrator should submit a case?

Solution: https://help.okta.com

Options:

A- Yes

B- No

Answer:

B

Explanation:

Okta Help Center To access theOkta Help Center, simply log into your Okta Admin Console and click the 'Help & Support' link located in the upper-right corner of the page. The Help Center acts as a one-stop-shop where you can:

Question 3

Question Type: **MultipleChoice**

is this the policy that applies If no other policy applies?

Solution: Password

Options:

A- Yes

B- No

Answer:

B

Explanation:

There is always a default Policy created for each type of Policy. The default Policy applies to any users for whom other Policies in the Okta org don't apply. This ensures that there is always a Policy to apply to a user in all situations.

https://developer.okta.com/docs/reference/api/policy/

A

Question 11

Is this a true statement about deleting Okta user accounts?

Solution: After an account is deleted, an administrator CANNOT reuse the deleted user name.

Options:

A- Yes

B- No

Question 12

Question Type: **MultipleChoice**

Is this a true statement about deleting Okta user accounts?

Solution: After an account is deleted, an administrator can reuse the deleted user name.

Options:

A- Yes

B- No

Answer:

A

Explanation:

Permanently delete an end user account

You can permanently delete a deactivated user with theDeletebutton that appears in the directory screen for that user. You cannot undo this deletion. After the deletion, the user is not visible on thePeoplepage and is not returned in API responses. However, any log entries that reference the user are maintained. After deletion you can reuse the user name and other identifiers.
